

The Valley Homeowners Association, Inc.

RULES AND REGULATIONS

Pursuant to Article VII, Section 1 (a) of The Valley Homeowners Association, Inc. (VHA) By-laws, adopted June 24, 1982, the VHA Board of Directors has formulated the following Rules and Regulations for the protection and general welfare of the neighborhood. Owners and Residents of the Valley are expected to conduct themselves and to maintain the common property and their individual lots in a manner to ensure that the community remains a desirable neighborhood. These rules and regulations are intended to supplement the provisions of the Declaration of Covenants, Conditions, and Restrictions of the Association and to ensure a safe, sanitary, and pleasant environment for all Owners, Residents and their Guests.

The Board of Directors may amend any policy. Failure by the Association or any Owner to enforce any of the policies or procedures herein contained shall in no event be deemed a waiver of the right to do so thereafter. Invalidation of any one of these policies or procedures by judgment or court order shall in no way affect any of the other policies and procedures, which shall remain in force and effect.

Owners are asked to report concerns and any damage to the common property to the Board or the Management Company. Please submit the request in writing, as this will insure good documentation, review and timely response.

These rules and regulations became effective on the 4th day of November 1988 and **were last amended on November 5, 2012.**

COMMON AREAS AND SANITATION

1. **Trash Collection:** Trash collection is provided through the VHA grounds maintenance contract and is picked up behind your home on Friday of each week. In isolated instances when trash exceeds the capacity of the receptacle provided, each Owner shall stack same as near the trash receptacle for routine pick-up by the maintenance contractor. If such trash presents noxious odors or might be subject to being strewn by the wind or roving dogs over the common areas, however, the Owner is personally responsible for removing same immediately to the Association dumpster located off of Chapel Hill Road.
2. **Recycling:** Curbside recycling pick-up is provided by the City of Durham on Tuesday of every other week, and Owners and Residents are strongly encouraged to participate. Make sure your bin is secure to prevent newspapers and other items from spreading by the wind or other means. Recycling bins should be put out only on scheduled pickup day. If you are out of town, please ask a neighbor to remove your bin from the street.
